
Meditation

Avi Bloom

Let us blend into the beauty around us
Let us bask in the eternal light of the Eternal One, our God.
Let us indulge in the gentle presence of the Lord,
And let us not forget the many things the
Majesty of Majesties has done for us.
Blessed be the Key Holder and the Lock Maker.

Who needs an angel by one's side,
if the Eternal knows the hum of one's voice?

Avi Bloom celebrated his Bar Mitzvah at Shir Shalom Congregation in Sonoma, California in July 2001.
